TEACHING EXPERIENCE

- 2017 **Outstanding Graduate Student Instructor Award**
 The Outstanding GSI Award is the highest teaching award given to graduate students at the University of Michigan, with fewer than 1% of graduate students winning the award. The award recognizes the efforts and accomplishments of GSIs who demonstrate superb skill in teaching, mentoring and advising. They bring creativity, inspirational commitment and intellectual excitement to the classroom, discussion section, or teaching lab, and communicate this passion with their undergraduate students.
